

REMARKS

The Notice of Non-Compliant Amendment mailed September 12, 2008, indicated at item 4 C that each of the claims has not been provided with the proper status identifier, and at item 4 E that claim 10 was indicated as "(currently amended)" but had not been amended. Therefore, the foregoing amendment corrects the deficiency of claim 10 as presented in the "Preliminary Amendment" mailed to the USPTO with the application on May 17, 2006. Accordingly, the application should be in proper for examination, and prosecution on the merits hereof is earnestly solicited.

It is believed that no fees are associated with this response. However, if any fees are required, please charge the same to applicant's attorney's Deposit Account No. 08-2441.

Respectfully submitted,
